

Nursing

Monday 14-April, 2014

Doq
Gurush.

The word nurse originated in Latin word NUTRIX
meaning "to nourish"

Take care of the sick, injured, and aged people.

To understand what nursing is, one must first define
the word. Many definitions exist, some of which
misrepresent the complex knowledge and skill of
professional nursing.

Communication should not be your FORTE.

Nightingale 1860 100 years ago. The lady with the lamp.

Virginia Henderson.

The unique function of the nurse is to assist the
individual, sick or well, in the performance of those actual
activities that he would perform unaided if he had the
necessary strength, will, knowledge, resources, or

that he would perform unaided if he had the
necessary strength, will, knowledge, resources, or
to help him gain independence as 1966
YOU SHOULD DO NO HARM TO PATIENT
